

Winemaker: Michel and Robert Perroud

Region: Beaujolais/Burgundy

Appellations we carry:

- AOP Brouilly
- AOP Bourgogne

Key Notes: This family estate has been in the family for two generations. Michel and Robert took over the estate from their father who left a great legacy and taught them how to make fantastic wines while respecting nature. Together they invested in their roots and bought their first 4 acres of vines in Brouilly. They then reconstructed the vineyard from a few of their old family plots in Cogy, on clay-limestone, located under the castle of Montmelas. All of their young vines are under organic since 2007 and the old vines are cultivated sustainably.
