

Winemaker: Lucien Lardy

Region: Beaujolais

Appellations we carry:

-AOP Beaujolais Villages

-AOP Fleurie

Key Notes: Coming from a family of four children, Lucien Lardy was the only one to choose wine making as his profession. His father left him a wonderful legacy that he would honor and preserve. He vinifies each of his plots separately in order to manage the expression of all his lands. This enables him to create complex and generous wines that display the characteristics of its terroir.
